

# COVID Symptoms

Check your students daily for these symptoms.

If they feel sick,  
**STAY HOME.**

(Some students may have runny noses due to other health concerns, like allergies. Runny noses as a single symptom are not a concern.)

**Fever**

(temperature of 100.4°F or 38°C or higher or feeling feverish)

**Cough**

**Shortness of breath**

**Decrease in sense of smell or taste**

**Sore throat**

**Muscle aches and pains**
