

DOCKETS AND PLANNERS

All students in 1st through 9th grades are required to use docket and planners.

It is each student's responsibility to provide a docket. A docket is an organizational folder made of heavy plastic that expands to put folders and school work in for easy accessibility. Dockets are available at most office supply stores. The following link will give you an idea of what you need to provide. (This is not the required docket, but an example of what is needed)
