Student Neighborhood Access Program

School Overview

Early Light Academy is located at 11709 South Vadania Drive in South Jordan. The campus serves approximately 1019 students in grades K-9.

The majority of our students will arrive and depart via their parent/guardian vehicles, and a few via daycare busses/vans. We ask that they all follow the school's designated Carpool procedures to ensure student safety and to maintain an efficient and orderly flow of traffic.

Many students will walk or ride their bikes to and from school. Students that walk or bike are encouraged to follow the SNAP map safe walking routes and always use the sidewalk.

From the Northeast

Students traveling from the Northeast should travel southwest on Topcrest Drive to Grandville Avenue heading southeast. Then travel southwest on Blackbird Lane, turning north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for 2 blocks until reaching Early Light Academy.

From the East

Students traveling from the East should travel west on Firmont Drive to Grandville Avenue heading southeast. Then travel southwest on Blackbird Lane, turning north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for 2 blocks until reaching Early Light Academy.

From the South

Students traveling from the South should travel northeast on Currant Drive and turn north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for 2 blocks until reaching Early Light Academy.

It is not recommended that students west of the Mountain View Corridor, walk or bike to school.

Parents and students who walk or bike to and from school should follow the safest routes possible, using sidewalks and crosswalks. Parents are encouraged to travel the routes with their children to determine that safest route possible.

Parents who choose to allow their students to walk or bike to and from school will assume responsibility for all risks involved. Parents and students should obey all traffic lights, laws, signs, and signals. They should also cross streets carefully.

These routes are for the immediate area around Early Light Academy. Please contact the school for additional information regarding safe traveling routes.

Student Neighborhood Access Program (SNAP)

The SNAP is available to families in order to increase student safety and decrease traffic congestion around schools. To view our online SNAP map, please visit:
